ANOTHER LETTER ONLY PROGRESS IN BRIDGE SITUATION

Another letter received from the chief engineer of the Band M RR, received by T. M. Courtney this week, finds the RR adamant in its decision to demand that the Town be responsible for seeing that vehicles using the bridge weigh six tons or under.

While the RR conceded that the Town's fire apparatus weighs slightly above the limit, it felt that this fact could be ruled out as a safety factor due to the fact that they would be called on to use the bridge so seldom.

The Selectman ordered that a copy of the letter be sent to Governor's secretary Charles Sloane.

Following is the content of the letter:

Dear Sir:
At the request of Mr. McCarthy Chief Engineer, Department of Public Works, on Feb. 10 we attended a meeting at the Department to discuss with Senator Ferguson and Representative Tanner our position as to repairs to Shawheen Overhead Bridge No. 15, 57 in the town of Wilmington.

As stated to you at previous meetings and to the Town Council we are prepared to make repairs, completing the work within about 3 weeks, weather permitting, if and when we receive proper assurances that the repaired bridge will not be overloaded.

In view of the known history of overloading, resulting in partial

destruction of the structure with consequent hazard to our train operations, we feel that we cannot proceed until we have such assurances.

Prior to the damage this bridge was posted for 8 1/2 tons sign 2 (single truck load) based on computations on the bridge as it existed in 1917. There is no decree or other regulation setting forth specific load limit requirement for this structure. Under these circumstances we consider that our responsibility consists only of maintaining a structure safe for a 6 ton load.

Upon receipt of proper assurances that truck loadings heavier than 6 tons will be excluded from this bridge we are prepared to proceed with immediate restoration of the deck.

We recognize that fire apparatus may slightly exceed this 6 ton limit but, in view of the safety factors involved and the only occasional requirement for such fire apparatus to use the bridge, we consider that it would be a safe procedure.

The above was outlined to Representative Tanner and Senator Ferguson by Mr. Spofford, Assistant Chief Engineer, and at their request I am writing to you with copy to them and to Mr. McCarthy setting out our position.

Very truly yours,
S. G. Phillips
Vice President-Engineering

PAPAL BLESSING BESTOWED ON FIFTIETH ANNIVERSARY

Dr. and Mrs. George Hathaway received blessings from Pope Pius in Rome on their fiftieth wedding anniversary. The certificate of blessing was presented to Mr. and Mrs. Hathaway by Father Croke at a Solemn High Mass celebrated for them on Monday morning, February 10 at St. Thomas Church.

The couple was married in Winthrop on Feb. 10, 1905. St. John the Evangelist Church, Dr. Hathaway served his country for 36 years as a captain in the medical corps of the Navy.

Following the Mass on Monday

morning, a reception was held at the couple's home in North Wilmington. Friends called all day from various surrounding towns including, of course, innumerable folks from Wilmington.

The four children of the couple were on hand to aid in the celebration, bringing the entire family together for the first time since 1941. Hope Hathaway of Wilmington; Mrs. Robert Bourke of Arlington, Va.; Mrs. Russell Mpon of Cherry Chase, Md.; and Mrs. William Roland of Ashland, Kentucky were all at home to join in the festivities.

DR. AND MRS. MACDOUGALL TO VACATION IN FLORIDA

Dr. and Mrs. MacDougall are leaving Friday for a three week vacation. The MacDougalls' traveling with their trailer, plan a visit to Marathon, in the Florida Keys. Dr. MacDougall is looking forward to bone fishing.

The doctor will resume practice around March 15.

44 ARTICLES FOR WARRANT

Forty-four articles were definitely slated as of Monday to go into the Warrant for the Annual Town Meeting March 8.

First article, as customary, is for March 1, election day. Besides the candidates for office, this year's ballot contains an article calling for a vote on Civil Service status for all town employees.

The next 9 articles are standards calling for reports of committees, authorization to borrow money, salaries, Memorial appropriations for veterans, for 4-H and for street lights—Adleman Rd., Brand Ave., Carter Lane, Dorothy Ave., Duntor Rd., Ferguson Ave. and Kiernan Ave. are due to receive 1 to 3 lights.

Article 11 asks two cruisers for the police dept., 12, a truck for the fire dept., 13 for an appropriation to pay unpaid bills, 14 oiling of specified sts.

Number 15 is a request again to rezone what is commonly known as Daly's land in North Wilmington. The article was withdrawn last year when a technicality was found in the working that made it illegal.

Article 16 asks a change in the by-laws which would allow oxygen, hydrogen, acetylene, etc., plants, and allow for dumping areas for slaked lime. (This article obviously is another attempt to allow location of the controversial New England Gas plant here).

Articles 17 and 18 request changes in the regulations governing vacations and sick leave for town employees.

Articles 19 and 20 ask that the Town be allowed to take by eminent domain two places of land. One is a lot "in excess of 2 acres" located at Middlesex and Truman Rds. in No. Wilmington, to be used for a parking lot. The other concerns land on Eames St. owned

by Joseph and Ellen Gray. Taking of this land would allow the town to remedy a serious drainage problem.

The 21 and 22 articles ask relocation of portions of existing streets. One asks for land to straighten out the bad curve on Roman Way, the other to relocate West St., Woburn St. side, to conform to the water lines laid last year.

Water mains are called for in Article 23. Articles 24 to 31 ask acceptance specified Ss.

Article 32 asks allowance of land taking to permit Fairmeadow Rd. to be a public way.

Articles 33 and 34 concern the common. First asks for an appropriation to improve the common, the second to allow construction of a granite memorial, 11 feet 6 inches, by 10 feet 6 inches to honor the veterans of past wars.

Articles 35, 36 and 37 ask for a highway truck, a truck for the Town Engineer and a rescue truck for Civilian Defense respectively.

Article 38 asks for in amount not to exceed \$3500 to install a control board for the new fire alarm signal boxes.

A 75 foot aerial ladder truck for the fire department is asked in article 39.

Permission to borrow \$75,000 for a site and construction of a new police station is requested in article 40.

Article 41 requests appointment of a permanent building committee to recommend future school buildings, while article 42 calls for transfer of the Glen Road School project to this committee when appointed.

Article 43 asks a 12 class room limit on future elementary schools.

Article 44 asks for Sunday closing. A similar article was voted down last year.

PEARL HERSOM CANDIDATE FOR SCHOOL COMMITTEE

To the Voters of Wilmington:

I Pearl Hersom, am a candidate for the office of School Committee of this town for a term of three years. I have been a resident of this town of Wilmington for eight years. My present home is 153 Burlington Ave. I have six children, ages seven to fifteen. All are enrolled in the schools of this town.

Among the Civic Organizations of the town I have served in the following:

President of the Mildred Rogers Mothers Club, Vice President of P.T.A., Secretary to the Wildwood Parents Club, Chairman of the Salvation Army Drive, Co-chairman of the Cancer Crusade for the past two years, Wilmington Women's Club.

Active in Little League and the Wilmington Skating Club.

As a parent with children in the schools, and working as closely with the teachers, I have a fairly good understanding of the problem we face in education today. Also I am a taxpayer and I am well aware of the need to economize our schools and at the same time give our children the very best we can in education.

John Natale In Good Condition

At 7:35 a. m. on Friday, Feb. 14, John Natale was struck by a car while he was waiting for the school bus. Operator of the vehicle was Edward J. Casazza of Tewksbury. The victim was taken to Choate Memorial Hospital in the fire department ambulance.

On Tuesday morning, Feb. 18, John was reported to be in good condition suffering a broken leg, but no fractured skull as was at first feared.

Sgt. Sidelinker investigated the accident.

Town Manager Joseph Courtney announced Tuesday morning that he has resigned from his position effective March 22.

Mr. Courtney said that he would accept a position as Associate Director of the Special Commission on the Audit of State Needs.

Wilmington Man Killed In Salem St. Accident

Chester Carpenter, 24, of Chandler Rd., was pronounced dead on arrival at Choate Memorial Hospital following an early morning accident on Salem St., on Feb. 16.

At 12:05 a. m. on Sunday, a car being operated by Richard McHugh of Church St., struck a parked truck owned by Herbert Parker of Salem St., Tewksbury. Following the impact, a second car operated by Joseph Sandler of Lowell struck McHugh's vehicle.

Arthur Lynch, Jr., Grove St., son of School Committee member Arthur Lynch, is reported still in critical condition at Lowell General Hospital. Robert McHugh, Church St., brother of the driver is reported slightly improved, suffering a fractured nose and multiple injuries. The operator of the vehicle, Richard McHugh, was released from the hospital following treatment of facial injuries.

Following the collision, the McHugh vehicle was towed to the Wilmington Ford Sales while the truck was taken to Gildart's Garage. The driver of the second car, Sandler, was injured and his vehicle left under its own power.

Police Chief Paul Lynch was at the scene of the accident with Sgt. John Imbino. They were assisted by Officers Kelley and Dolan. Inspector James Manning of the registry of motor vehicles also assisted in the investigation of the accident.

Funeral Services For Chester W. Carpenter

Chester W. Carpenter, 24, of 2 Chandler Road, died suddenly by accident on Sunday, Feb. 16. He was the son of the late Frank G. and Madeline (White) Carpenter. He was born in our town and lived here all his life, having been educated in Wilmington Schools. He served his country for four years in the navy and was a veteran of the Korean Conflict. At the time of his death, he was employed as a meat cutter at the Stop & Shop Market in Reading.

Chester is survived by his sister, Mrs. Edna Bridges of Wilmington and 8 brothers, Charles R., Robert J., Joseph E., Paul N., and Walter D., all of Wilmington; and Frank G. of Dover N. H., Richard J. of Newport, R. I., and Edward A. of Tewksbury. He is also survived by his grandmother, Edna Carpenter of Woburn.

Funeral services were held today, from the W. S. Cavanaugh & Son Funeral Home, at 8:15 a.m. A High Mass of Requiem was celebrated at St. Thomas Church at 9. Interment was in the family lot at Wildwood Cemetery.

Funeral arrangements were under the direction of the W. S. Cavanaugh & Son Funeral Home.

SCHOOL PLANNING SUBCOMMITTEE MAKES RECOMMENDATIONS

A lengthy report by the joint subcommittee on the planning and constructing of new schools was released this week.

The report has stated that a twelve room elementary school off Glen Rd. could be built for \$360,000-\$400,000. The balance of the \$650,000 bond issue already authorized would appear adequate, the report continues, to build an eight room elementary school in West Wilmington, at an approximate cost of \$240,000 to \$280,000.

From figures garnered from the new General Plan Report of the Planning Board, and the revised projections submitted by Supt. of Schools John Collins, the future school building is recommended: the addition to the high school

and the 12 room Glen Road School would provide adequate classrooms through 1960. An eight room elementary school in the Shawheen Ave. Aldrich Rd. area would cover 1941 needs.

Other more tentative recommendations are for another 8 room school in the Hathaway Acres region the following year, or a 20 room intermediate school in North Wilmington.

Whichever of the above are built the first year, the second would be necessary the second year.

The subcommittee feels that adequate schools can be provided at a cost of \$1,000 per pupil or \$30,000 per classroom.

Due to time limitations, the Crusader is unable to print the full report this week.

COMMERCIAL CLUB

The Wilmington High School Commercial Club presented a film entitled "Letter Typing At Your Fingertips". This film was viewed by all commercial students on Monday, February 11, 1958.

Norman Saksvig, a champion typist, starred in this film. He demonstrated various techniques in typing which proved very helpful to all of the students. He unfolded the reasons why many typists are slow and not up to par, and also, furnished information that would help the typists to correct these faults, such as throwing the carriage properly, correct finger placement, along with other numerous other suggestions. Mr. Saksvig has his skill demonstrated on WGBH-TV, Channel 2, Boston.

Commercial students were heard commenting on the film about the worthwhile and beneficial information they have gained.

For further projects the Club hopes to have Mrs. Nichols, the school nurse, to speak on Health Education.

Also planned is a film, sponsored by the Toni Company, called "Heads Up For Beauty".

CLASS NEWS

Senior Spotlights: Tryouts were being held during the week of February 10, for the Senior Play which is to be put on sometime in April. Miss Sharp is the director.

Remember that all dues must be paid on or before March 3, in order to participate in any future activities of the Class.

Junior Jottings: Hugh McCormick has been appointed chairman for the coming Junior Dance to be held on March 14. Bob Clayton will be D. J. for the evening.

David Hartwell has been named co-chairman for the Junior Class of the Junior-Senior Prom.

Sophomore Scratches: One hundred and ten persons attended the first Sophomore Class Dance. The dance was very successful and netted \$94.05.

Freshman Footlights: Class officers are: Mercedes Strow, President; Arthur Hall, Vice-President; Barbara Lynch, Secretary; Diana Imbimbo, Treasurer. Cooperation is the keyword of the class.

SPORTS

Girls: As we pass the halfway mark in the basketball season, we find the girls' basketball team with 4 wins and 6 losses in league competition.

In the opening game, although W.H.S.'s Gwen Fisher was high scorer with 37 points, the girls lost their first game. After losing to Burlington 88-47, the girls went on to win against Dracut and Chelmsford. In these two games, G. Fisher and N. Bennett were top scorers for Wilmington High. In the Chelmsford game the Wilmington guards accounted for the girls being able to overcome a 17-12 halftime lead which Dracut had held. Out shooting among the guards were C. P. Dell, M. Dawson and E. Knapp.

In their fourth outing, playing without their captain and top scorer, the Wilmington players met North Andover. In this game, three forwards who till now hadn't done much in the way of scoring, shaded the point getting with Judy Rosselli hitting for 15, Pucy Cushing making them count from the foul line with 7 free throws and three field goals for 13 points, and Eileen Carter scoring 9 points.

For a quick rundown of the J.V.'s here are some statistics: Dracut 29 - W.H.S. 23
Lynnfield 21 - W.H.S. 19
St. Charles 16 - W.H.S. 24
Bedford 9 - W.H.S. 28
Burlington 12 - W.H.S. 35
Lynnfield 42 - W.H.S. 25
Chelmsford 24 - W.H.S. 12
No. Andover 20 - W.H.S. 16

Boys: Hockey at W.H.S. this year is an intermural sport. The boys have been playing at the Skating Club rink and on the rink in the school yard. Boys participating are Richard Lee, Ralph Grassia, John McCabe, Robert Maloney, Arthur Bromsgood, William Fay, Robert Anderson, Warner Allen, Robert McKay, William Ellicker, David O'Brien, Roger Ulrickson and Henry Moriarty. The boys were very disappointed because they didn't have the opportunity to play the teachers. They were quite sure that they could have taken the teachers this year.

On Friday, February 7, the boys had no trouble in taking North Reading in a basketball game at the gym. But the following Tuesday was a different story. North Andover, who leads the Lowell Suburban League, smashed Wilmington with such force that the boys will never forget the team from North Andover. Wilmington was as usual, guarded by three

men. Hey, what gives here! Wait till next year.

Elizabeth Terhune Bride Of Gerald Fagan

At a lovely double ring ceremony performed before the altar of Saint Monica's Catholic Church in Santa Monica, Calif., on Saturday, Feb. 8, Father Sammon united in marriage, Elizabeth Leigh Terhune, daughter of Mrs. Carolyn Terhune of Rapid City, South Dakota and Gerald Robert Fagan, son of Dr. and Mrs. Gerald A. Fagan of Clark St., Wilmington.

Escorted to the altar by James Bechard of Rapid City, S. D., a friend of the family, the bride was lovely in a gown of white peau de soie, appliqued with alencon lace and seed pearls. The gown was styled with a sheath line in front, with fullness from the sides and the back forming a long train. The neckline was of a portrait design and the sleeves were long and tapered. Her fingertip veil fell from a cap of alencon lace, matching the lace of the dress. She carried two white orchids on a white bible.

Miss Barbara Rogers of Santa Barbara served as maid of honor while Nobuko Suenaga of Santa Monica, Cynthia Barry of Santa Monica and Janet Tedford of Cincinnati, Ohio served as bridesmaids. All of the attendants were attired in midnight blue velvet sheath dresses with midnight blue panels of tulle from the waist to form an overskirt in the back. They wore oversize length white gloves, midnight blue satin shoes and small velvet hats with blue veiling accented with small rhinestones. They carried cascades of red roses.

Alexandra Toigo of Manhattan Beach, Calif., served as best man. Acting as ushers were William Riley and John Paul Bedner, Manhattan Beach and Ray Hinkley of Hermosa Beach.

Following the ceremony, a reception was held in the Palm Room of the Miramar Hotel where music was supplied by a three piece orchestra. The room was decorated with bouquets of white and light blue flowers with garlands of light ribbon and candelabras. The tired wedding cake with blue and white frosting was topped with two blue bells.

Mrs. Terhune was attired in a dior blue sheath of all-over embroidery taffeta with long tight sleeves. It was accented with a left drape of the skirt and a large bow at the waist. She wore matching accessories with white gloves. Her corsage was of pink camellias.

Mrs. Fagan chose for her son's wedding a sky blue taffete frock accented with lace panels in the skirt. She wore matching accessories with white gloves and a corsage of pink camellias.

Following a two week wedding trip to Las Vegas, San Valley and Alta, Utah, the couple will reside

temporarily in Santa Monica before leaving for the east coast where the groom will be Eastern Electronics Representative for North American Aviation.

The groom has been employed at North American since graduation from college. He graduated high school at Kith Academy, Lowell, Mass., in 1948 and graduated from Villanova College in Penn., in 1952 as an electrical engineer. He, at one time, spent two years in Europe as a technical representative for North American Aviation.

The new Mrs. Fagan is a graduate of Rapid City High School and graduated in 1955 from the University of Minnesota in Medical technology. She was currently employed by the Santa Monica Hospital as a medical technologist.

Dorothy Richard Becomes Bride Of Frederic Gilgun

The altar of St. Thomas' Church was adorned with lovely yellow and white flowers on Saturday, Feb. 8, for the wedding of Dorothy Richard, daughter of Mr. and Mrs. Howard Richard of Swain Rd., and Frederic V. Gilgun, son of Mr. and Mrs. John F. Gilgun, Sr., of 215 the 11:15 ceremony performed by Main St., Woburn.

As My
Garden Sleeps

By Marl Gold

I sometimes wonder if my southern neighbors enjoy gardening as we do. In the warmer states flowers and vegetables grow in a continuous season. I wonder also if we would enjoy a state where the weather is warm all the time. What do folks there do "come spring?"

Locally we watch for the first welcome signs of spring. Among the first hardy forecasters on our frigid scene is the pussy willow. Followed closely is the crocus, which quite frequently may be seen pushing its cheerful head up through a blanket of late snow. I watch eagerly for the first birds returning from warmer winter quarters. Perhaps the best and truest harbinger of spring is a flock of geese flying in their "V" form back to their summer swimming holes.

These among other things, including the odor of the earth being warmed by the ever climbing rays of the sun are what we wait for with lifting spirits through the dull dark days of winter.

With the ground covered with snow, one of our furry rodents is beginning to cause trouble nibbling on our favorite ornamentals. There are several methods for controlling "Old Peter" but they all have their faults. The following one will last for three or four weeks, but is expensive as it must be repeated. "Better Zip" may be purchased at most hardware stores. An old-fashioned method is sometimes effective. Mix seven pounds of rosin in one gallon of denatured alcohol. Now mix again with two more gallons of alcohol. This is ready to be used as a spray. Some of the ready-mixed sprays are hard to use. They have been known to clog the nozzle of your sprayer or you may have trouble finding them in your local hardware stores.

While your shopping for just the right material, "Mr. Rabbit" may eat your favorite roses or nibble the bark off your trees and shrubs. For the small gardener, I think it is more practical to let him eat what he wants and replace the damaged ones with new shrubs in the spring. On the other hand, if your garden is not too large, you may want to place a small fence around it during the winter months. There is also an animal repellent rope which may be used to circle flower gardens and shrubs.

This rope is saturated with aromatic hard wood oils which are harmless to pets and noninjurious to humans. It is the odor which does the trick.

Take a good look around your garden or grounds. Cast a critical eye at your winter picture with all the leaves gone, and snow on the ground. Pattern and spots of winter color become important. Evergreens to use as screens to shut off an undesirable view from your picture window. You may also want to add shrubs which have colored berries or bark to add to the winter scene.

February is an excellent month for getting your trees back in shape for the growing season. Collect and destroy the egg masses of tenacious caterpillars which make rings of tiny gray eggs around the small trees. These eggs are very shiny so may be found easily.

A popular house plant at this time of year is the Cyclamen. These are usually received as Valentines. Care of this plant is simple. Keep them in plenty of light, but avoid the noon-day sun. Do not splash water on the center of the corm or it will decay. They will continue to bloom for weeks, if flowers are pulled loose at the corm as soon as they fade. Do not cut them.

Another nice plant is the Calceolaria. The flower is pouch shaped and is known as the pocketbook plant. The blossom is yellow or maroon red and is spotted with orange brown dots. Calceolaria like a cool room, but no drafts. Water them moderately keeping them a little on the dry side. Be careful when watering not to get drops on the flower clusters for they spot easily.

Calceolarias are tropical American plants, but there is another species native to Chile, the latter having smaller flowers which are unspotted. Both types are offered for sale by the florist.

FATHER AND SON BANQUET
BIG SUCCESS

On Saturday evening, February 15 at 6:30 the dinner was opened by Wayne Austin with the Pledge of Allegiance and Father Regan gave a prayer before sitting down to dinner. Rev. Cummings of the Congregational Church spoke to the boys on the "Troop Charter."

Following Rev. Cummings' remarks the troop was presented an award for one hundred percent boys' life and a troop charter.

After the bean supper, movies were shown by Mr. Bertwell and were enjoyed by all present. The affair ended at 9 p.m.

TROOP 56 PREPARING FOR
DAY HIKE, FEB. 22

On Friday evening, the meeting was opened by Ralph Johnson and Bill Durant with the Pledge of Allegiance and the Scout Oath. Inspection and attendance were called.

In patrol standings, the two top patrols are the Rattlesnake with 230 points and the Mohawk with 228 points.

Following the instruction period, a game, Bull Dog, was enjoyed.

The meeting was closed at 9 p.m. by Gary Balser with the Scout Law. The Scout Master's Benediction was given by Vern Randall.

The Lions Roar

by Fred Kleynen
First off, I would like to mention the clothing drive "Operation Middle East" is moving a little slowly. Bundles are not coming in as rapidly as we had hoped, perhaps because of the cold weather. I would like once again to remind you that if you have any usable old

clothing, we of the Lions Club committee will be only too happy to pick them up if you call 8-3346, 8-2501 or 8-3341.

Last night's guest speaker was Lt. Burke of the State Fire Marshall's office who spoke on the subject of arson and the duties of an arson detective. It was a most interesting speech and was well received by those in attendance. Next week's speaker will talk on the subject of retarded children and will show some films along that line. The spring dance committee reports that the annual spring dance

will be held on April 11, over at the Andover Country Club. Tickets should be available within the next few days or so and the committee promises a good time.

There are a few dates which I would like you to remember. First of all, the one presently on is the clothing drive. From now until Feb. 23. Each member note, April 11, is the day of the annual spring dance at the Andover Country Club.

The local club has discussed the donation of eyes to the Mass. Eye Bank and as more can be found out, this club intends to take action along these lines.

Wonder!
What Pete would do if someone took away his note pencil during "guest speaker" time. How "Jim" just happened to know how to play "Old Smokey" and who put them up to it. How many of the boys are making their "other club visits". If a certain member will try to suppress his very pronounced "oinks". If each member's family will try to donate one 40 lb. bundle of clothes for the "operation middle east" drive.

Last, but not least, I wonder how Art manages to change the wording of this column before press time. Well, so long for now, until next week, when I'll be seeing you.

The Small Cub

W.F.A. Hi-Lites

by Fred Kleynen
At the most recent meeting of the Firemen's Association, it was voted to enroll the members in the Mass. Firemen's Association. The list has been submitted and the membership cards should be back by the next monthly meeting.

Congratulations are in order. I see, by the editorial in another local paper concerning the "egg-heads" in the various top positions throughout the town. The article is the one concerning Civil Service for town employees. Now, it seems to me, as I recall, that the town positions are not the only ones headed by so-called "egg-heads", for where would the writer of that article be if he himself were not soft enough to come under the Civil Service acts?

We of the fire dept. went out for Civil Service and you, the townsfolk gave it to us wholeheartedly, and even up to this writing, I believe I can quote for all of us, that these "egg-heads" are happy for it. I can go along with anyone seeking to protect his job which is one of the main features enacted by Civil Service. Civil Service takes the politics out of the various dept. and by doing so, I believe it makes for a better and healthier condition.

Too bad the writer of said article could not have been beside some of the "egg-heads" at 2:15 a.m. one cold morning last week when we had a fire up on Boutwell St., maybe he would have seen how soft these jobs are.

Well, I guess this is about all for this week, so with these words I will close. "Don't give fire a chance or a place to start."

Friendly Jack Slashes 4 Cents From Gas Price

(Takes it on his own to cut his price of gas to only 21.9 cents per gallon)

The one and only Friendly Jack of Friendly Jack's Warehouse, Lawrence Street, Lowell, has done it again. Yes, Friends, Jack has again thought of his many, many Pals, the automobile drivers, by slashing the price of his gas to only 21.9 cents per gallon, including all taxes. That's right, folks, Jack slashed the price of his gas 4 cents as a gesture for the automobile drivers.

Take a ride over to see Jack, and he will be only too happy to greet you with a warm hello, and give you the most courteous service.

Jack is always willing to give the customer a break, so let's give Jack a break and go over and see him.

Volunteer workers are being sought to help out at the blitz parties.

THREE BOYS GRADUATE INTO TROOP 60

Graduation exercises for three boys were conducted at the Blue and Gold Banquet held by Pack 56 on Saturday evening, Feb. 15.
Leonard Bryant, James Webster and Richard Woods were presented their Tenderfoot badges, their neckerchiefs and their pack medallions. The presentations were made by Troop Sixty's Scout Master, Charles Ellis; Troop Commissioner Richard Miller and Albert Blackburn, Patrol Leader.
The three boys, formerly members of Cub Pack 56 and now full fledged members of Boy Scout Troop 60 in North Wilmington.

D. A. V. Hi-Lites

Commander Simpson and Past Commander Jim Shine will attend the banquet in honor of the Past Commander of Chapter 44, to be held at George Wright Memorial Golf Club in West Roxbury, on Saturday, Feb. 22. Our National Service Officer, Jim Sayre is one of those to be honored at the dinner. Our best wishes go to Jim. He has been of inestimable help to Chapter 106 in the past.

Due to some changes made by the D. A. V. State Department, nominations and election of officers will be held earlier than usual this

year. Installation of officers must be held before May 30, under a new state department ruling. This necessitates our holding the election of officers in March this year. We hope all members will attempt to attend both meetings in March when nominations and the election will be held. Plans are being formulated to hold the installation of officers on April 19.

The next regular business meeting will be held tonight at 8 p.m., at the clubhouse on Grove Avenue. We hope to see continued improvement in the attendance at meetings. The last meeting was encouraging, but there is still much room for improvement.

Commander Simpson has been invited to attend the Governor's reception of Washington's Birthday. Jim will be on hand at the State House to represent Chapter 106 at the annual affair.

TALK OF THE TOWN

By HANK FILIPPONE

One scarehead says \$75.00 tax rate and in smaller print the T. M. says a possible \$70.00 tax rate. Lets face it, folks, even \$65.00 is too much for us, as long as we embrace a 50% valuation. I was under the impression that 1934 would see a general leveling off on tax increase and that we would start realizing some benefits from our new industrial developments.

Every year we hear the same story, about paying more wages to entice better teachers in town. What's the matter with the teachers we have? Is there room for improvement? If so, does it cost so much? Think those things over when you vote for School Committee members this year.

A citizen, living in a home valued at \$13,000 dollars would be assessed for \$650.00 and if the tax rate was \$70.00 his taxes would be \$475.00 a year. If that sounds bad, lets break it down a little further. If you carry a mortgage, and your taxes are reflected in the monthly payments, you have to pay, aside from interest and principal, approximately \$39.00 a month for the privilege of living here in Wilmington. Every day it costs you \$1.30 before you even get up to go to work and make money to pay the fuel man. Some living, eh? It's about time that measures were taken to stop these unreasonable hikes.

According to figures from our building inspector, the total valuation on the building permits issued last year were over \$8,000,000. Why then aren't the anticipated returns liable to drop our taxes rather than the hinted at increase? All I can say is that all of us should attend the next town meeting and vote no on all money articles, then there can be no increase that our tax collector couldn't take care of. If this is the best that we can do under our present system of man-

agement, I say, let's get rid of it. If our selectmen can't cope with whatever the reasons for these hints at increases, then let's get rid of them too. As long as we remain complacent and drift along with the tide, the sooner we'll find ourselves washed up on the shore of frustration, high and dry.

As a matter of fact, let's face this school budget, \$0.37 of every tax dollar goes into the school budget. What is so expensive about our schools? If our teachers are getting at least \$4,000 a year, they are very well paid. When one considers that there are only 180 working days in the school year, compare it with what you earn in 52 weeks a year, and hard.

Two weeks ago, Selectman Frank Hagerty wanted to send a telegram to the Governor in regards to the Shawheen Avenue bridge, but the suggestion petered out during the conversation between the boards. This week, Frank, in a democratic outburst motioned that the board send a telegram to Mr. Furcolo informing him of the bridge situation. This motion was seconded by Mrs. Drew and acted upon. Results? Governor Furcolo is taking a hand in it and results may be evident soon. Thank you, Mr. Hagerty, from me and all of us.

That red, red vest that Joe Courtney was wearing at town hall last Thursday night was a Christmas present from his wife, so don't be too hard on him.

The Tewksbury Town Democratic committee is having a banquet in honor of Governor Furcolo at Tonnello's Monday night. Now is your chance to see his honor in person. Wilmington will be well represented by several of their own committee. Will I see you there?

The first snowstorm left quite an amount of snow on the streets and most of the citizens were not very happy at the way the streets were plowed. Sunday's storm left a record breaking 21 inches and the streets were in excellent condition soon after. As a matter of fact, bridge lane is wider right now than it has been all winter. A blue ribbon for our highway department.

A must for all you whist players. Plan to attend the whist party at Silver Lake Hall on Saturday, March 29. This affair is being held by the town Democratic Committee, under the joint chairmanship of Ernie Crispo and Mrs. Elizabeth Kelley. Prizes will be beautiful and bountiful, so get your tickets soon.

Met Eddie Sullivan, candidate for Selectman, at the square the other day and asked his opinion in regards to Civil Service for our town employees. Eddie is definitely in favor of the program, as he feels that a worker has a right to protection on his job. Okay Eddie, I'll buy that.

What's going on? For the past two weeks the news over the radio and television has been stressing unemployment. Some towns have been giving free food and the lines

at the Unemployment offices are growing longer. If all those incidents mean we have a depression coming, maybe our taxes will go down, too.

Hollywood Calls Friendly Jack

The Movies are set to give TV a good battle the coming year. To do so, Hollywood needs some new stars. They need another Francis X. Bushman, a Wallace Reid, a Valentino, a Richard Dix or a Harold Lockwood. They are hard to find although the Hollywood Scouts have been after Friendly Jack again, but the Handsome Mr. Cambria prefers to stay out in Wigginsville, keeping Lowell motorists happy. Thus Hollywood's loss is Lowell's gain.

Postponed Whist To Be Held On Thurs.

On Thursday evening at 8 o'clock the Wilmington Hebrew Community Center will hold its gift whist party at the Community Center building on Salem St., opposite MacDonald Rd. in Wilmington.

This is the whist which was scheduled to be held on Feb. 12, but was postponed due to frigid weather.

Many valuable prizes have been assembled for the whist and it is hoped that all who can possibly do so will be on hand to join in the fun. A door prize will be drawn and refreshments will be served.

M. FLORA KASABUSKI ANNOUNCES CANDIDACY

I announce my candidacy for School Committee, in Wilmington. I am a graduate of the Boston Public High Schools. Portia Law School, LL.B., 1941. Member of the Massachusetts Bar since 1943. National Association of Claimant's Compensation Attorneys, I am married and the mother of three children attending Wilmington Public Schools. Member of various organizations such as Mothers' Club, P. T. A., a Den Mother in the Cub Scouts, etc.

I believe that the school tax is high and not enough value received for the money spent. Most certainly every adult resident has an investment in either money or children or both in the public schools and are entitled to know as much about the schools as any other department in town. For this reason I advocate good, active, interested and cooperative Mothers' Clubs and P. T. A. The School Committee should encourage more participation by these groups as well as by the various church youth groups. I feel that if the schools, parents and the youth organizations were coordinated in some way and worked together, instead of separately, much of the discipline problem and the pupils' interest in school will disappear, thereby raising the academic standard, as a whole. For this reason, I believe the School Committee should adopt a modified version of the Calgary Plan.

I believe a woman should be a member of the School Committee because nearly all women are close to children and know their expectations and special needs of adolescent girls and a woman feel freer to talk with a man.

If I am elected to the School Committee, I will use my power to see that the public is more informed so that the management of the schools and the pupils in the schools will be more intelligent and disinterested. Our school system can only be one of the most expensive of the state.

Your vote will be appreciated, M. Flora Kasabuski

HEART SUNDAY ARMY READY FOR WILMINGTON MARCH FEB. 23

The 1934 Heart Fund campaign will reach a peak next Sunday, February 23, when more than 100 volunteers will spread through every section of Wilmington in a door-to-door collection of contributions between 12 noon and 4 p.m. Mr. and Mrs. James E. Polio, General co-chairmen announced today.

Each of the volunteers will visit several homes, mostly in his or her immediate neighborhood, wearing a circular identification tag and carrying a supply of contribution envelopes. The householder seals his contribution in the envelope. He need not divulge the amount of his gift.

The volunteers will also carry self-addressed mail-in envelopes which they will leave for families that are not at home during collection hours.

The funds collected will augment the total already collected in the first half of the month-long Heart Fund drive which is being conducted by the Massachusetts Heart Association, to carry on a program of research, education and community service in the fight against the heart diseases. The American Heart Association is the only voluntary public health agency devoted exclusively to combating heart diseases of the heart and circulation.
